

Swiss support to sustainable and reliable market development in Ukraine

1. Organic Certification
2. Organic Market Development
3. Agribusiness Investment Climate Project
4. Crop Receipts
5. Food Safety Control System in the Ukrainian Dairy Chain

Key results in 2017:

- Local certification body Organic Standard (the largest on the Ukrainian market so far) with **certifying of 60% of all organic land in Ukraine** (present in 5 countries). In February 2017 Organic market development project of FIBL supported **17 Ukrainian SMEs to present their organic products at Biofach** - the largest organic fair. Over **400 SMEs** benefited from the project support .
- Access to finance for agri producers via crop receipts covers 8 regions of Ukraine with a perspective to roll out to the rest of the country by the end of this year. **UAH 716 ml** of financing has been already provided to farmers via crop receipts.
- Support to dairy producers and processors in 4 regions of Ukraine: Vinnytsa, Poltava, Mykolaiv and Kharkiv **supporting 10 milk processing companies** with also planned **provision of equipment to 4 Ukrainian laboratories**.
- Investment Climate support project **saves Ukrainian agribusiness more than US\$ 100 million annually** and opened new markets abroad.
